TaTa Tour is the local kick-off event for Champions for a Cause Foundation. The Tour is a short day ride followed by an opportunity to meet Holly Warlick, Nikki Caldwell and the rest of the crew. The TaTa Tour will begin and end at Wild Wing Cafe just off the Campbell Station Road exit on I-40. This year's route also includes a visit to the Women's Basketball Hall of Fame. Number of participants is limited so register today!

Led by Tennessee Lady Vol Associate Head Coach Holly Warlick and UCLA Head Coach Nikki Caldwell, we have raised nearly \$100,000 and traveled over 8,000 miles to support the fight against breast cancer as a life threatening disease. We are currently planning the fourth annual Cruisin' for a Cause event, a road trip to Niagara Falls and back.

Our continuing goals are simple and bold: Ride thousands of miles. Raise thousands of dollars to support our grantees. Recruit tens of thousands of people in person and through the media to join in the fight against breast cancer.

By helping to support efforts such as the University of Tennessee Breast Health Outreach Program, Kay Yow/WBCA Cancer Fund, and The Wellness Community of East Tennessee, TaTa Tour and Cruisin' for a Cause are making a difference.

Both events are part of the 501(c)-3 Champions for a Cause whose mission is to advance and support the cause of charitable organizations who advocate and act to better the quality of life and health for individuals at risk or in need.
